Beautifully remodeled and situated on a spacious corner lot, this stunning West Houston rental blends modern elegance with everyday comfort. The home features quartz countertops, a large island with sink, soft-close shaker cabinets and drawers, engineered hardwood floors, and a custom wood-burning fireplace. The expansive primary suite offers a spa-like bath with a massive shower and tub combo plus a custom walk-in closet. A 6-burner gas stove anchors the chef's kitchen, while the laundry room provides both gas and electric connections. Outside, the oversized yard—re-sodded with lush St. Augustine grass—offers ample space for outdoor entertaining. Ideally located near Briargrove Park with easy access to Westheimer, Beltway 8, the Energy Corridor, CityCentre, and Memorial City, this home perfectly combines style, space, and convenience.
