listing Description

Perfectly positioned for the 2026 World Cup, a high-performing Airbnb, or even the opportunity to start your own business, 5130 Cosby St offers a rare income-producing property in the heart of Houston with exceptional access to Downtown Houston, the Texas Medical Center, and the University of Houston, along with convenient connectivity to Highway 288, I-45, and Loop 610—making it ideal for short-term stays and visitors needing quick access to the city's major destinations. Currently operating as an active Airbnb, the home features a large, spacious layout with ample square footage that comfortably accommodates larger groups and extended stays, maximizing its income potential, while the flexible floor plan and central location make it an excellent option for investors looking to continue short-term rental operations or explore other business opportunities. PLEASE DO NOT DISTURB THE GUEST. THIS PROPERTY IS AN ACTIVE AIRBNB.
